

SEASON GREETINGS

*It has been a great year.
Thank you for all your hard work.
Here is a little jingle,
Full of funny holiday cheer.*

You'll be Going Downtown

*You better watch out
Don't drink and drive
Better not pout
Cops can tell if you're high
You'll be going downtown*

*You'll be on the list
And it's checked twice
Cop's gonna find out
If you're naughty or nice
You'll be going downtown*

*They'll catch you when you're sleeping
They'll catch you when you swerve
They know if you've been drinking or smoking
So watch out for that curve*

*You better watch out
Don't drink and drive
Better not pout
Cops can tell if you're high
You'll be going downtown*

*You could be going...
You may be going...
You're gonna be going downtown*

*Have a Wonderful Holiday and Prosperous New
Year!*
